- This will be billed in one block (\$300) at the commencement of Term 1.
- Contributions towards the maintenance fund will support the kindergarten with the increasing costs of contracting professional services to maintain our aging Kindergarten over the course of the year..

- Alderley Kindergarten is not registered with Centrelink for the Child Care Subsidy (CCS). Families will not receive any Centrelink Child Care Subsidy (CCS) rebates on Alderley Kindergarten Term Fees, Outside Hours Fees, or Vacation Care Fees.
- Age-eligible children are fully funded by the Queensland Government for 15hrs/week in a kindergarten program. Families of children in the 3 day program will need to fund the residual additional hours levy.
- The above fees are only applicable to families who nominate Alderley Kindergarten for KFS Funding. Families acknowledge upon Offer of Enrolment that if their child is attending another Kindergarten program they will advise the alternate provider that Alderley Kindergarten will be in receipt of this funding.
