

Enrolment Information 2027

Thank you for your interest in Alderley Kindergarten.

Waitlist

Families may place their child's name on our waiting list at any time after birth via our online waitlist application form on our website: www.alderleykindy.com.au. A confirmation will be sent to you as soon as we have processed your application. Children are eligible to attend Kindergarten in the year that they turn 4 prior to the 30th of June. E.g. For 2027, children must be born between 1 July 2022- 30 June 2023 or be returning for an additional year of Kindergarten (known as a delayed exit).

2027 Enrolment Offers

Alderley Kindergarten will commence enrolment offers following our Open Day. We first retain placements for any families considering a delayed exit, along with returning siblings. Offers will be made via email, in order of waitlist. Families will have 7 days to respond to their offers and you will be able to advise your class preferences. We will continue to make offers until all available positions are filled. Please note that in line with the free kindergarten funding guidelines, enrolment in 2 sessional (i.e. community) kindergarten programs is only available in certain circumstances and timeframes. Please speak with enrolment staff if this impacts you.

We strongly recommend that you complete your acceptance of offer ASAP. Please be aware that when allocating children into classes, no guarantees can be made, however considerations are taken around teacher or friend preferences, as well as individual and group needs, to try to ensure an appropriate balance within each group of children.

In your response to offer you will be required to provide an electronic copy of your child's official Immunisation Record (we are unable to accept copies for your child's Health Record Book), and a copy of your child's birth certificate. You will be required to pay the \$250 Non-Refundable Enrolment Fee to confirm your acceptance.

Unfortunately, if the above steps are not completed within the 7 day timeframe we will assume that you no longer wish to proceed with enrolment and your position will be offered to the next family on the waitlist.

In 2020 Alderley Kindergarten introduced a 'Sibling Policy' to our enrolment process. Our sibling policy entitles an eligible child to an enrolment offer if:

- An older sibling has been previously enrolled and attended the Kindergarten for 12 months;
- The child's name is on the waiting list before Open Day prior to the year of entry and;
- A position is available

Finalising Enrolment

Electronic enrolment forms will be forwarded to families for completion in Term 3. At this time we will also advise details of the Parent Orientation Evening (held in October) and dates for playdates for your group (held in November).
